

Texas Coastal Bend
Chapter

Associated Builders and Contractors, Inc.
Texas Coastal Bend Chapter
Working Together For a Better Tomorrow

Dear Prospective ABC Member,

On behalf of the Associated Builders & Contractors, Inc. / Texas Coastal Bend Chapter, (ABC / TCB), we appreciate your interest in membership and the services that we offer. Thank you for taking time to review the attached information pertaining to the Chapter's activities and membership, as well as the membership application. We look forward to the opportunity to answer any questions about ABC and the progressive and positive impact that the Texas Coastal Bend Chapter is making on the construction industry and our area growth.

The Texas Coastal Bend Chapter is impacting the construction industry in our area by working for and with our members, as well as our community as a whole. With 217 member companies, encompassing fifteen (15) counties, our Chapter has experienced strong growth and we continue to grow with a focus on supporting and promoting both the industrial and commercial sectors of the construction industry, promoting area businesses, training, and education.

There are multiple opportunities for networking, member promotion and advertising with our outstanding annual events: Casino Night, the Golf Tournament, the Fishing Tournament, the Skeet & Trap Shoot and the Luau as well as management education seminars, training programs and other member services. The monthly mixers and membership luncheons are great ways to do become familiar with other ABC members. Our website is also an informational link for our membership and area businesses, as well as providing an advertising and marketing tool for our members. Clearly communication and information are important components for mutual benefits. We are continually improving, enhancing and expanding services for our membership.

Our membership includes Professional Associates (banks, accountants, attorneys, etc.), Suppliers, and both General and Sub Contractors. We work closely with our members and the community to provide quality service. We are seeking strong members that impact industry, our community and the area labor force. I am certain that you would not only be an asset to our organization but you will find ABC to be one for you.

We look forward to the opportunity to welcome you as the newest ABC / TCB member! Should you have further questions, please contact the ABC / TCB staff at (361) 289-5311. Once again, thank you for your time and consideration.

Respectfully,

Betty Escalante, Snelling Staffing Services
2009 ABC / TCB Membership Chair
